MEMORANDUM FOR: Director of Personnel

SUBJECT : Staff Ceiling for FY 1957

1. Unless informed to the contrary by the Director of Central Intelligence, staff ceilings currently in effect will prevail through FY 1957. Adjustments of individual component ceilings within over-all ceiling limitations are not precluded subject to my review and approval.

2. Advance planning documents which reflect increases in personnel requirements are to be examined in terms of this limitation. Since staff ceilings for FY 1956 are not yet determined, review of planning documents for this period should be based on capability of building up to the proposed strength within the time limitation resulting from the FY 1957 policy.
